MnDOT will be resurfacing the pavement and making other improvements to I-94 between Hwy 120/Century Avenue and the St. Croix River starting this summer through fall 2024. Construction will be split into two stages with the majority of the work happening in 2023 and 2024.

Join us for a virtual public meeting to see the construction overview, impacts and schedule, as well as what to expect in 2022. A short presentation will begin promptly at 4:30 p.m. followed by a Question + Answer session with the project team.

**Unable to attend?**

There will be a presentation recording available on the project webpage the following week.
